

23 February 2020

Mr. Anoop Raghunath  
Monrac Middle East BMT L.L.C, DIP,  
Dubai, U.A.E.

**Subject: Certified Saint-Gobain Gyproc Installer**

**Project: Pixel Towers in Makers District in Reem Island, Abu Dhabi, U.A.E.**

We, Saint-Gobain Gyproc Middle East F.Z.E., hereby confirm that Monrac Middle East BMT L.L.C, Dubai, U.A.E is an experienced installer of Gyproc material in projects throughout the U.A.E. including all types of our Drywall Partition Systems, MF Ceiling Systems, Fire Rated Ceilings & Shaft Wall Systems. They have executed their projects with utmost proficiency, having undertaken a series of Gyproc Drylining Systems training modules.

Saint-Gobain Gyproc Middle East confirms that Drylining systems specification support, installation training and on-site technical visits would be provided to Monrac Middle East BMT L.L.C project highlighted above. This support package will enable Monrac Middle East BMT L.L.C to comply with the Gyproc SpecSure warranty requirements.

Should you require further clarification please do contact us.

Sincerely,

**Ahmed Adham**  
**Project Sales Manager**
